Good to know

- Night shifts (22:00–06:00): plus £2.50 per hour on the rate.
- Minimum shift: 4 hours. A shorter shift is charged as 4 hours.
- Contract: from week 13, rates may be reviewed if equal-treatment rules require higher pay.
- If you end a discounted booking before the booked period, the hours already worked are re-charged at the Short notice rate (Terms of Business clause 11.1A).
- Every worker has a right-to-work check before any shift. No payment is taken when you request staff.
